

# HONOR CODE CERTIFICATE

THIS CERTIFICATE CONFIRMS THAT

# HUBERT MIAŻEK

has successfully completed the

**DWthon | Software 3.0 (Agentic AI program)**

a 3-day course of study offered by DataWorkshop

THE PARTICIPANT DEMONSTRATED PRACTICAL SKILLS IN:

investigating OpenClaw as an engineering system rather than a black box, including channel integration, context flow, memory inspection, custom skill creation, and critical evaluation of stronger implementation patterns.

**ISSUED MARCH 21, 2026**

certificate ID: be57e60/dwthon-agentic

**Vladimir Alekseichenko**
